**131321**

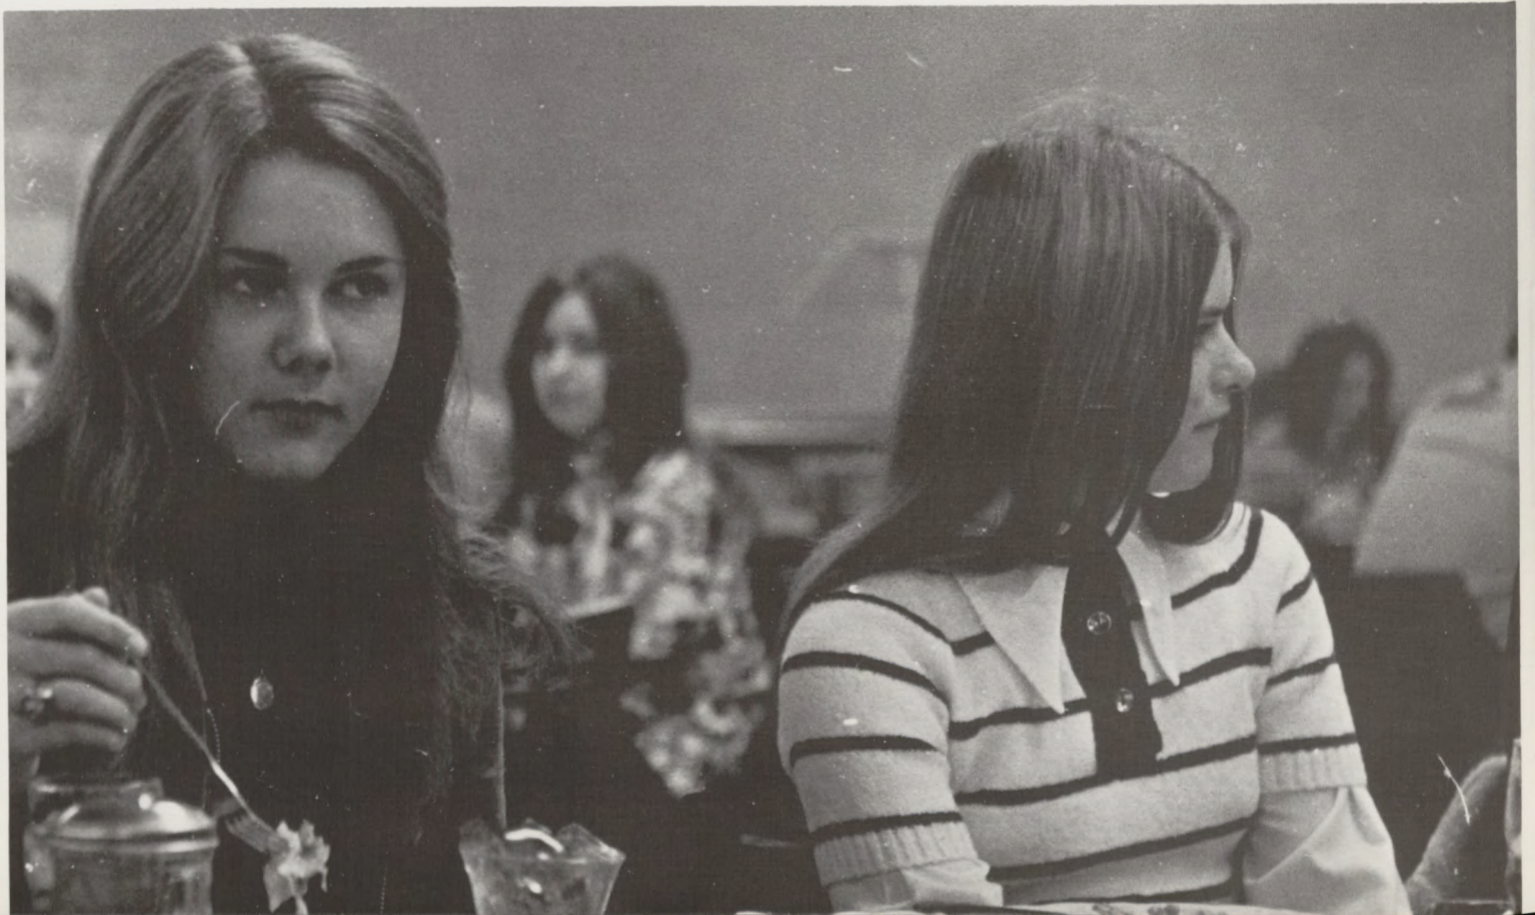

We are part of the world and its problems.  
We accept the responsibility with each  
breath taken and each friend made.  
The involvement that comes from the  
feelings and the activities and the  
thoughts that make up our world is  
something we can no longer escape.  
We should no longer wish to.

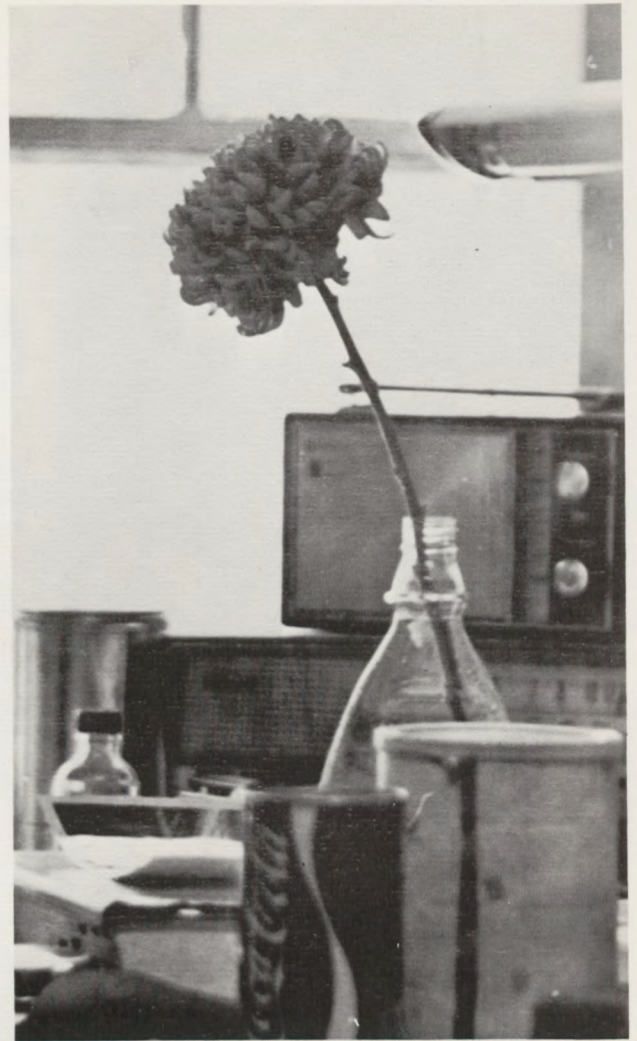

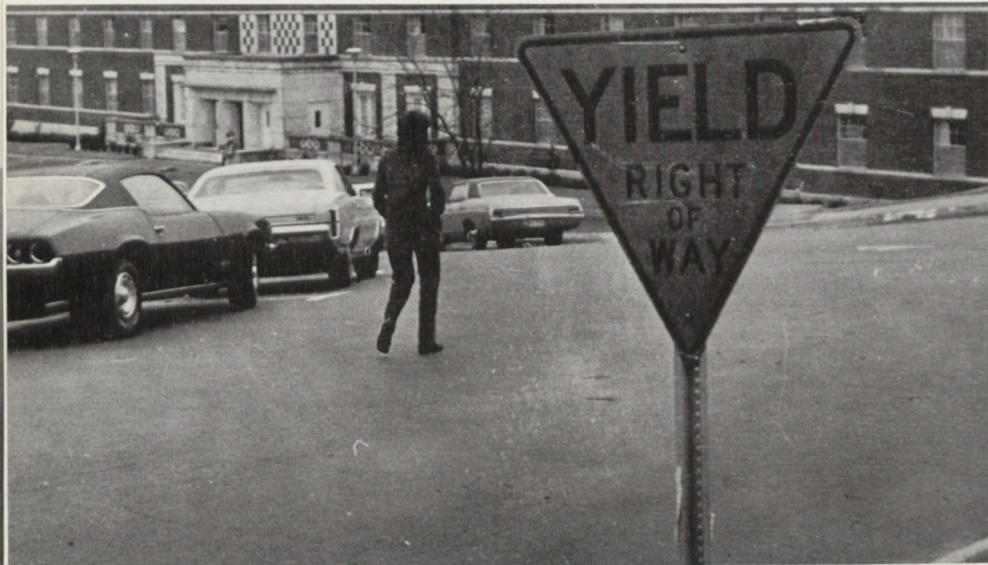

Maybe we can't solve all the world's problems,  
But without us, no solution is possible at all.  
We can think,  
and try,  
and hope.

Events come and go,  
People enter and vanish,  
Memories linger and fade.  
In the end, we are left . . .  
within ourselves.

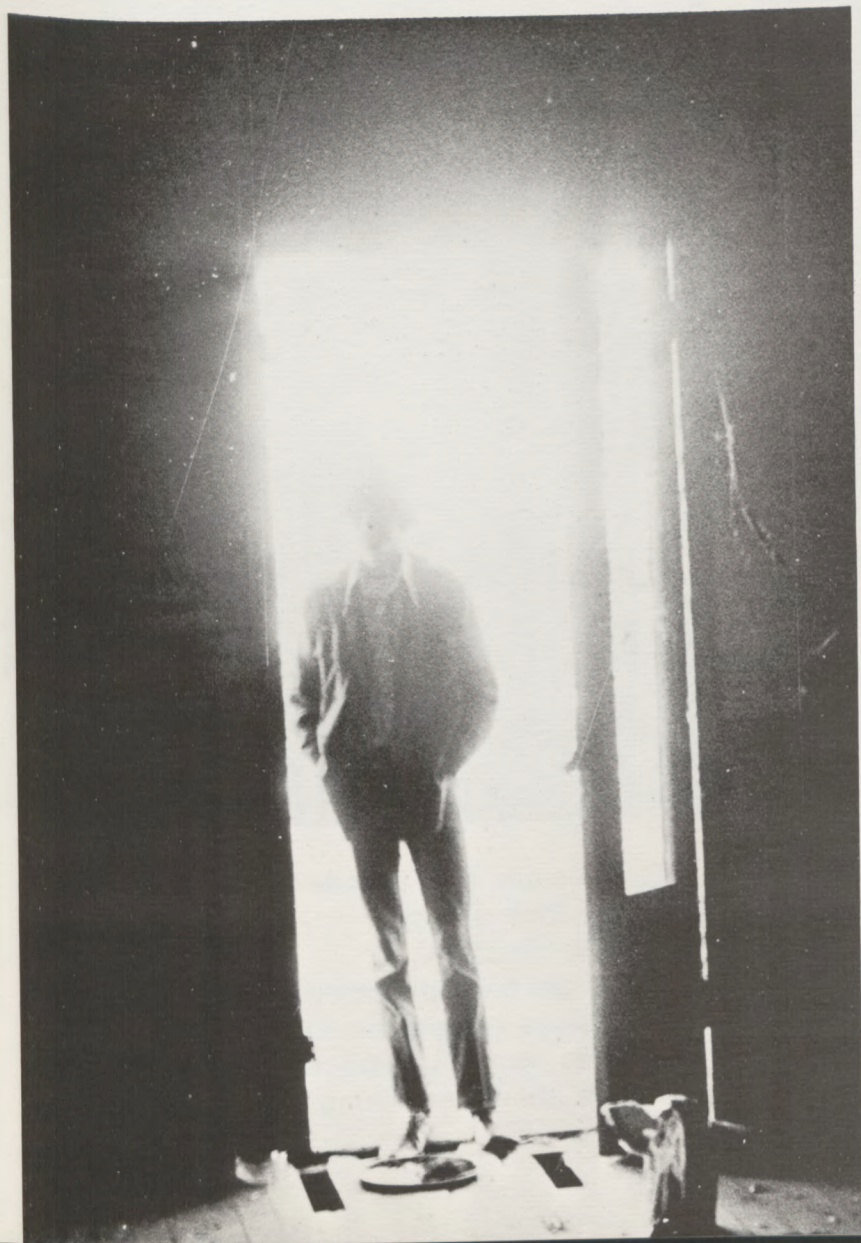

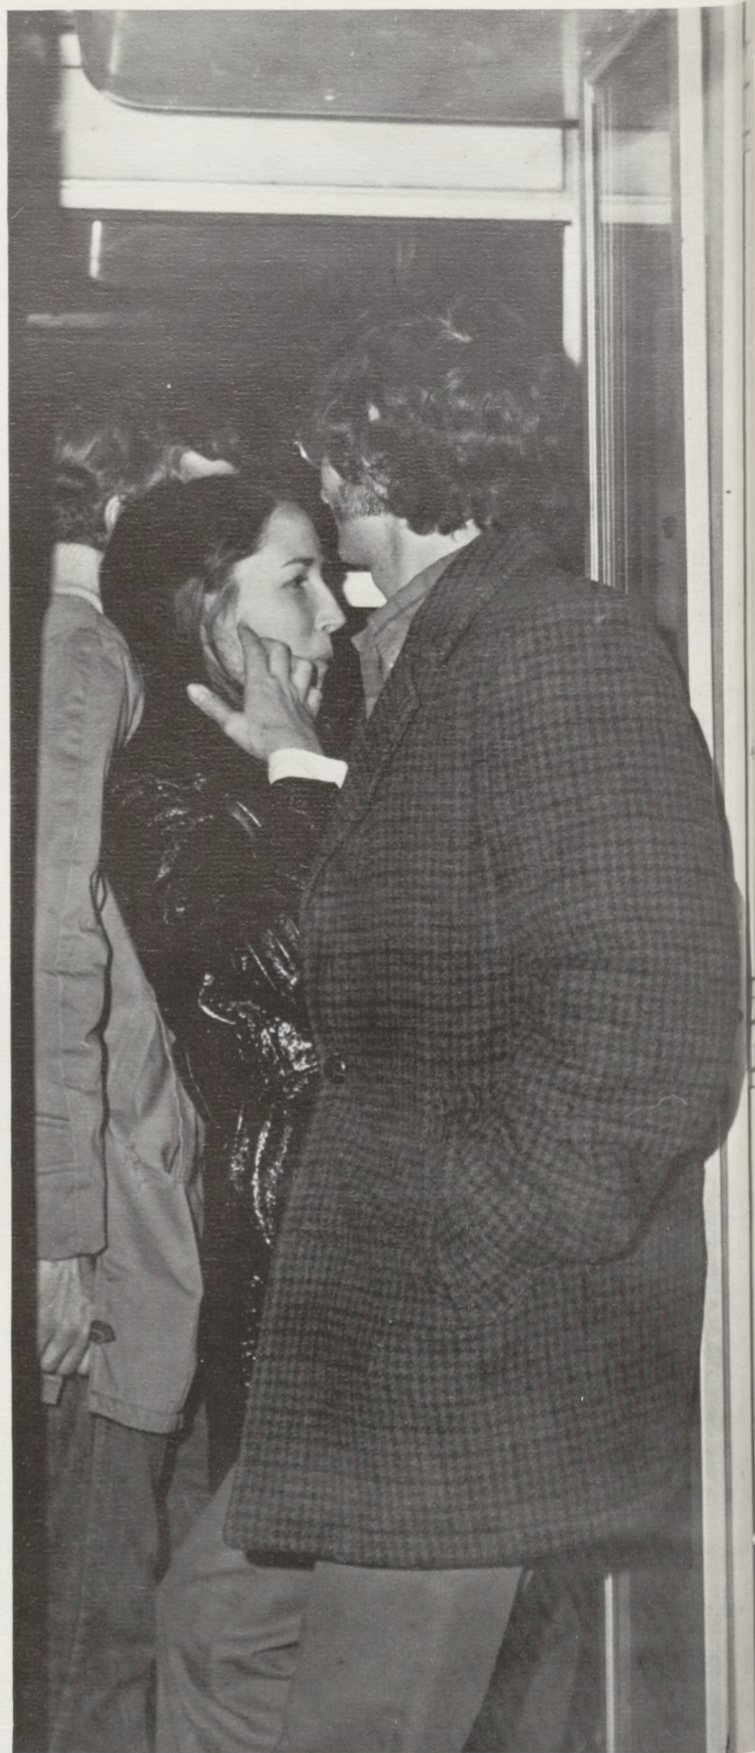

Is it to be a new time?  
Can we erase the pains and disappointments,  
the naivety and wonder,  
the mistakes and regrets?  
Do we want to?  
The dawn does bring new opportunities,  
And blinds the past—but only for a second.

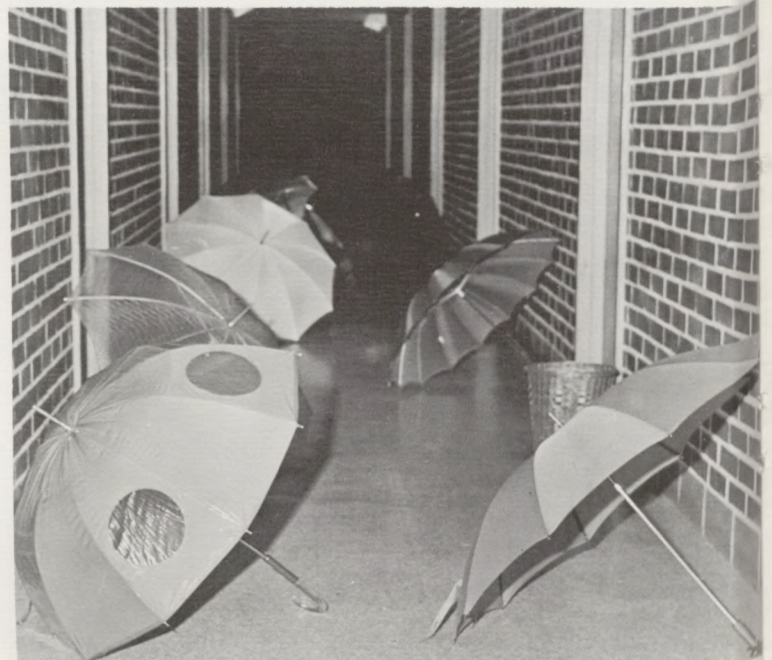

It's the smile of a friend—  
Or just their glance.  
It's new people—  
Or the old cast in altered roles.  
The places remain the same, but each of  
us takes away that special impression that  
creates cherished memories.

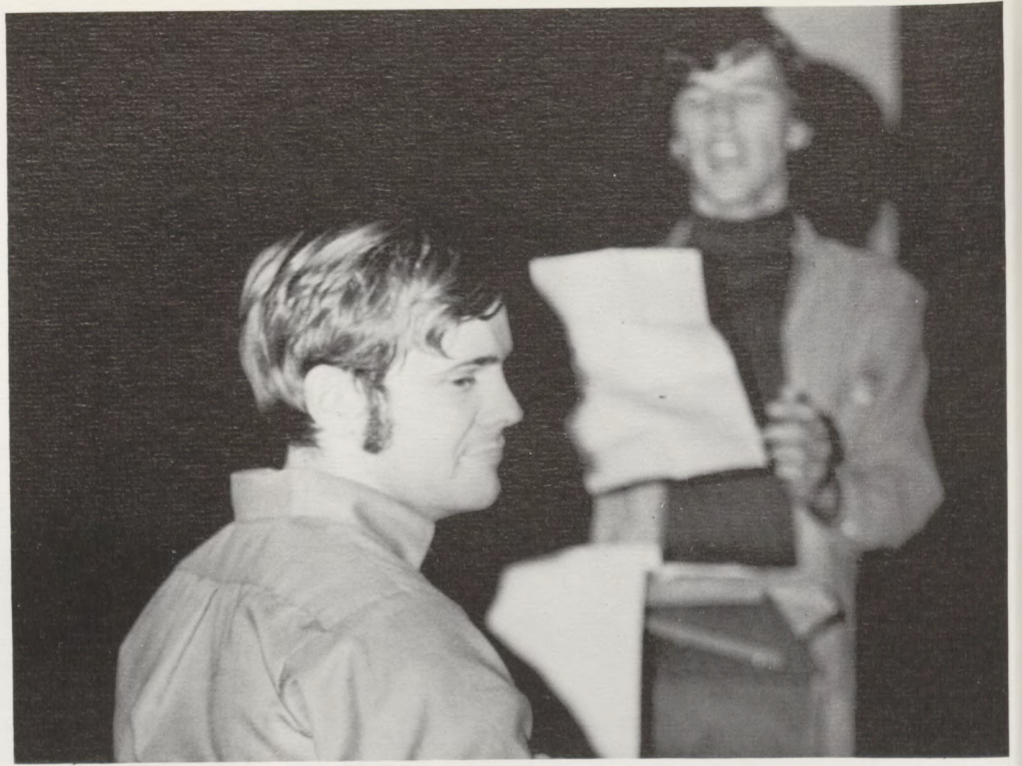

We go through the routine (and the rain).  
We endure the work  
And welcome the relief  
—the brief glory  
—the hurried honor  
—the quiet beauty  
And go on from there again.

The scenes are the same.  
 The players flare into brilliance and just as  
 quickly fizzle.  
 The dialogue varies little.  
 But no matter what we can say and do,  
 What we can aspire to and somehow gain,  
 We come back to those feelings that bind  
 and yet distinguish us.  
 The emotions that make us "MC students"  
 together while keeping us unique.

stud

# udent life

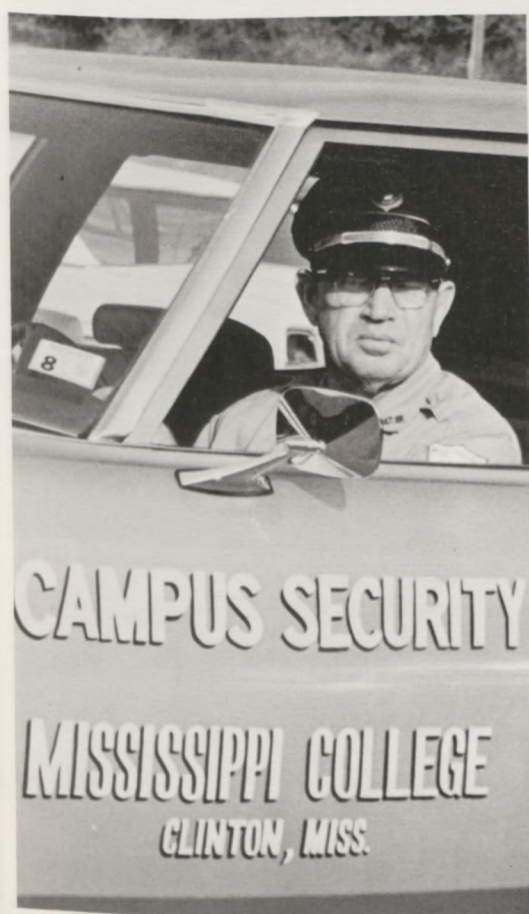

We return with mixed emotions—hope, hate, gratefulness, resignation, determination. Outwardly, it looks the same—except for an added coat of paint here & there, and campus street names. Another year . . . a new chance.

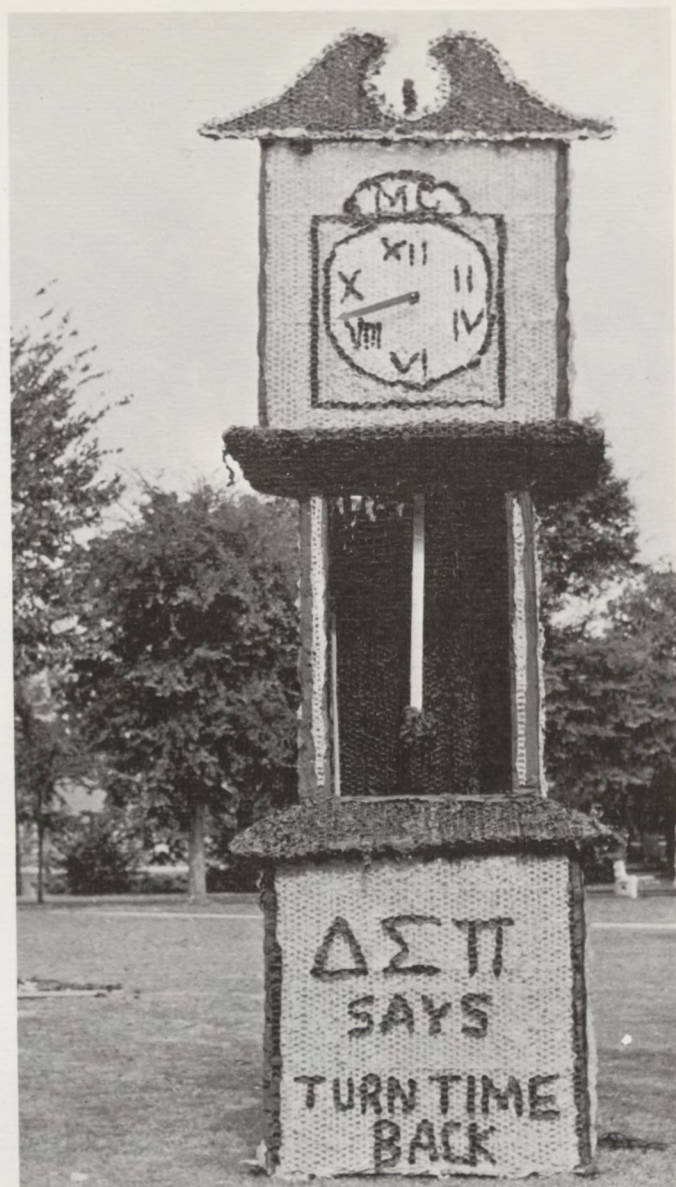

There are new people—  
faces reflecting the  
happiness and anxiety of  
being a freshman.  
Two short weeks of  
assemblies, spirit sticks,  
registration, carnivals, and  
a shaving cream fight  
begin the transformation  
from freshman to MC  
student.

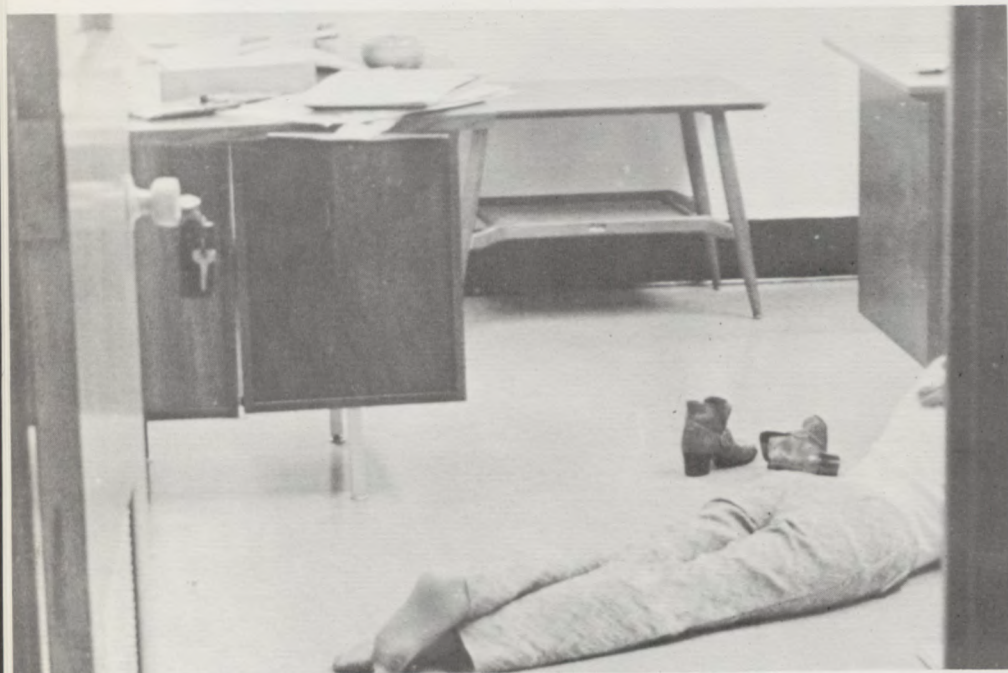

Homecoming—the return to the old “Alma Mater.” One day of crepe paper, talent, reunions, antique cars, and football. The *theme* may be the “Good Ole Days”, but it holds little relevance for us today. We can no longer cling to the past traditions when our world—and our own common sense—demand change.

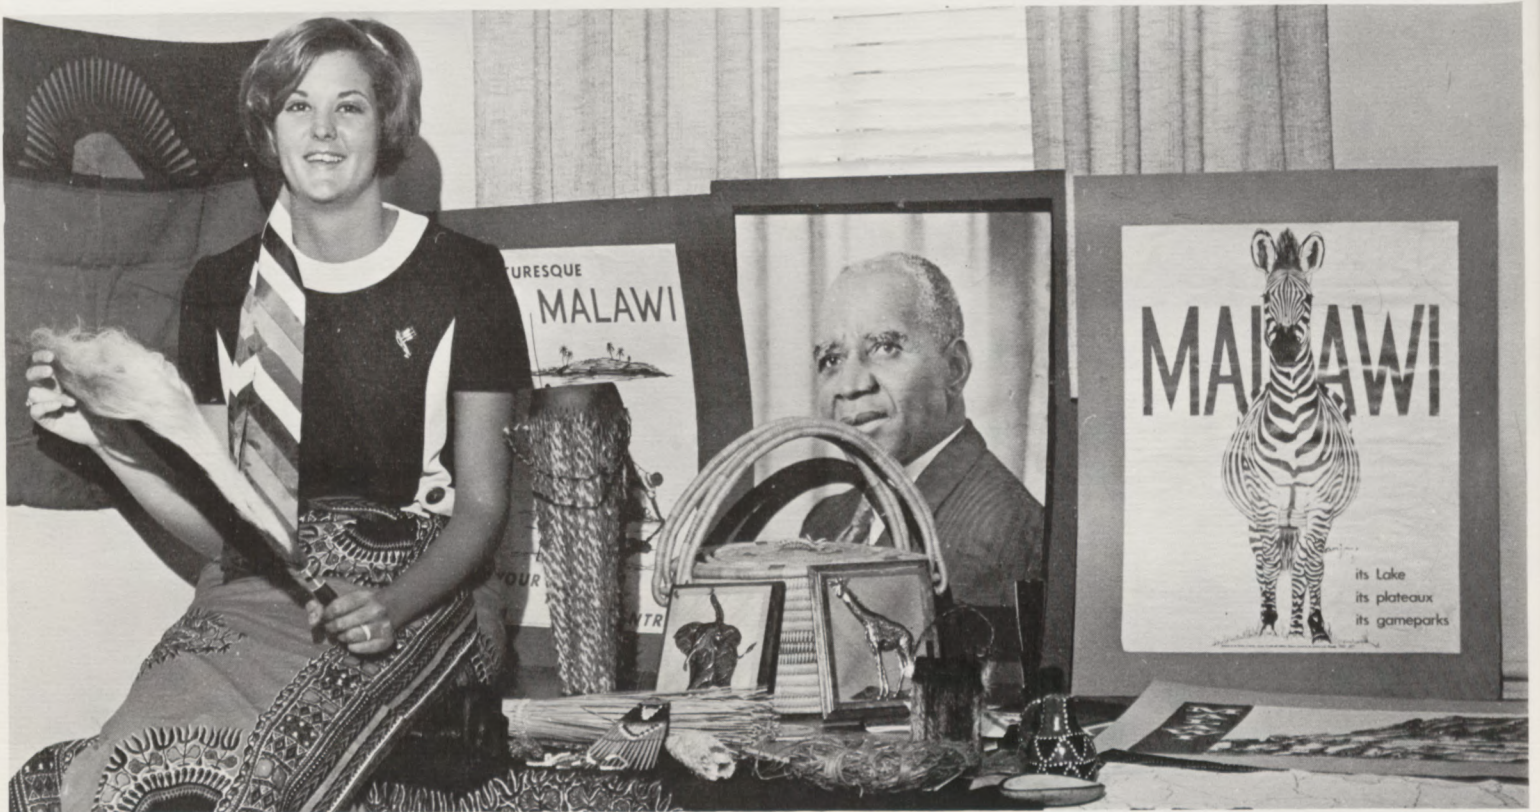

But it's difference today that starts to look alike.  
 Outward change doesn't guarantee the same inside.  
 No matter how we cry for freedom, it is finally found  
 within,  
 or never at all.

We are united by the common bonds of love for the  
less fortunate,  
love for one another,  
and a sense of usefulness.

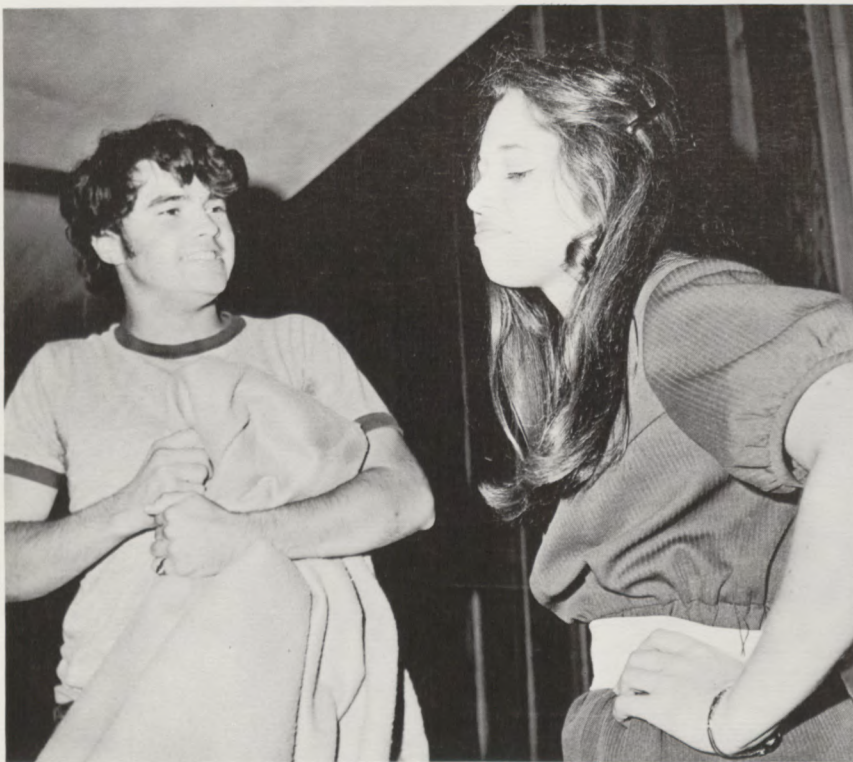

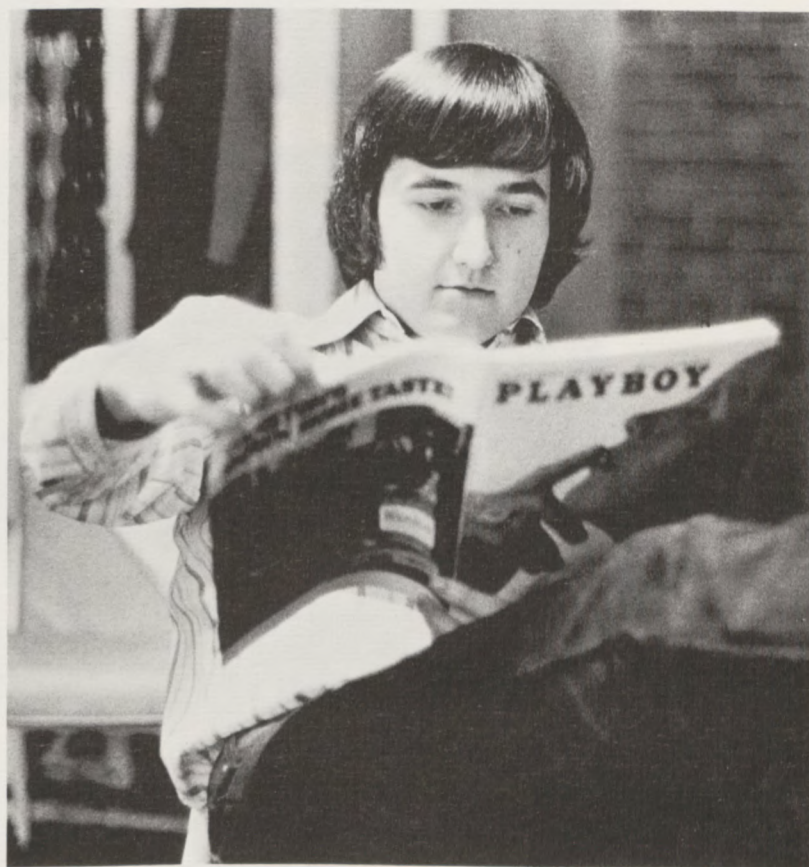

We are regimented by chapel obligations,  
bound by friendships,  
pressured by tests,  
gladened by new-found skills,  
left hungry after another "meal."

Still they go on—  
the experiences of MC life.  
Those that we wish to remember, or those better left buried.  
We can't hope for all good times, for nothing can be truly  
good unless it is surrounded by those moments of despair  
and disappointment.

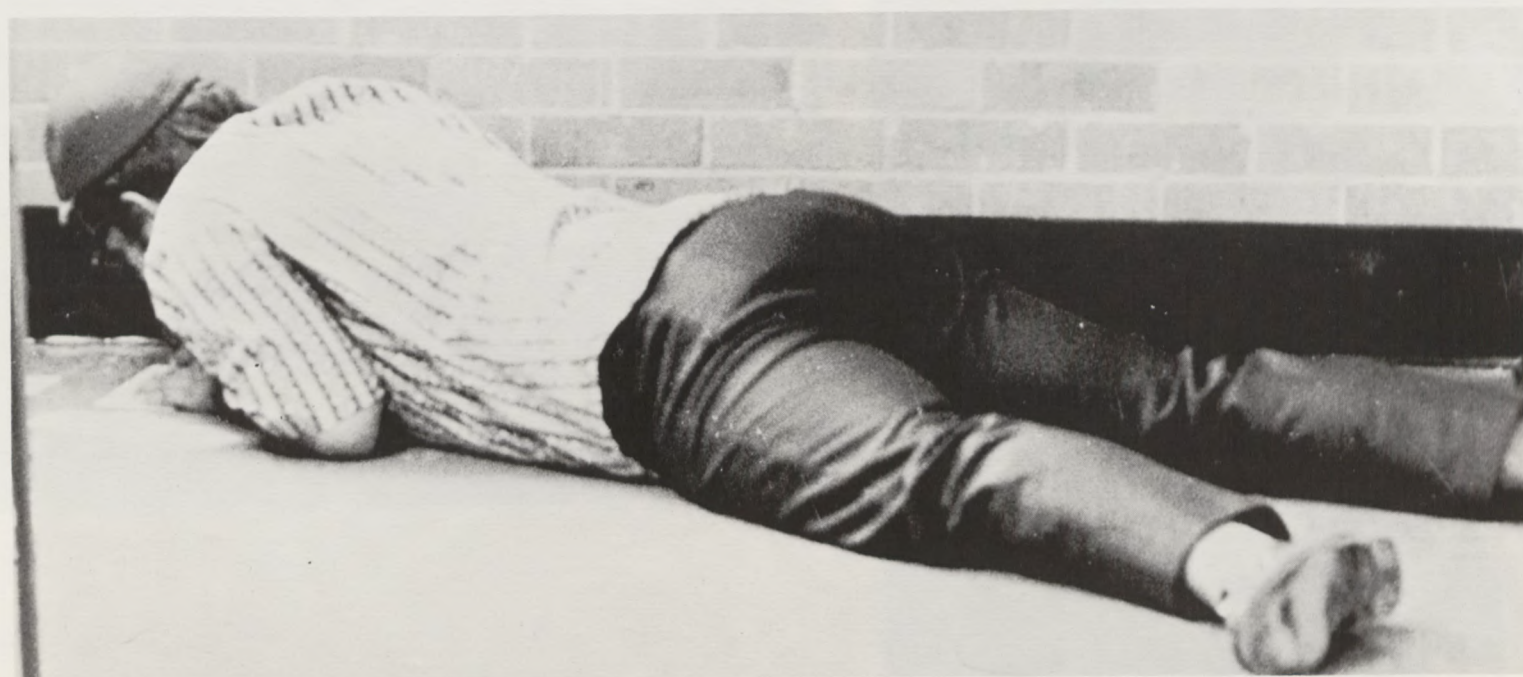

The time will come to leave—with those same emotions that brought us—to a patched-up world of new people, new ideas and experiences.

We will look back on our years here with the good things cherished, but with the strength received through difficulty remaining a part of us.

We all can be united in our hope—and need—to be valued as individuals.

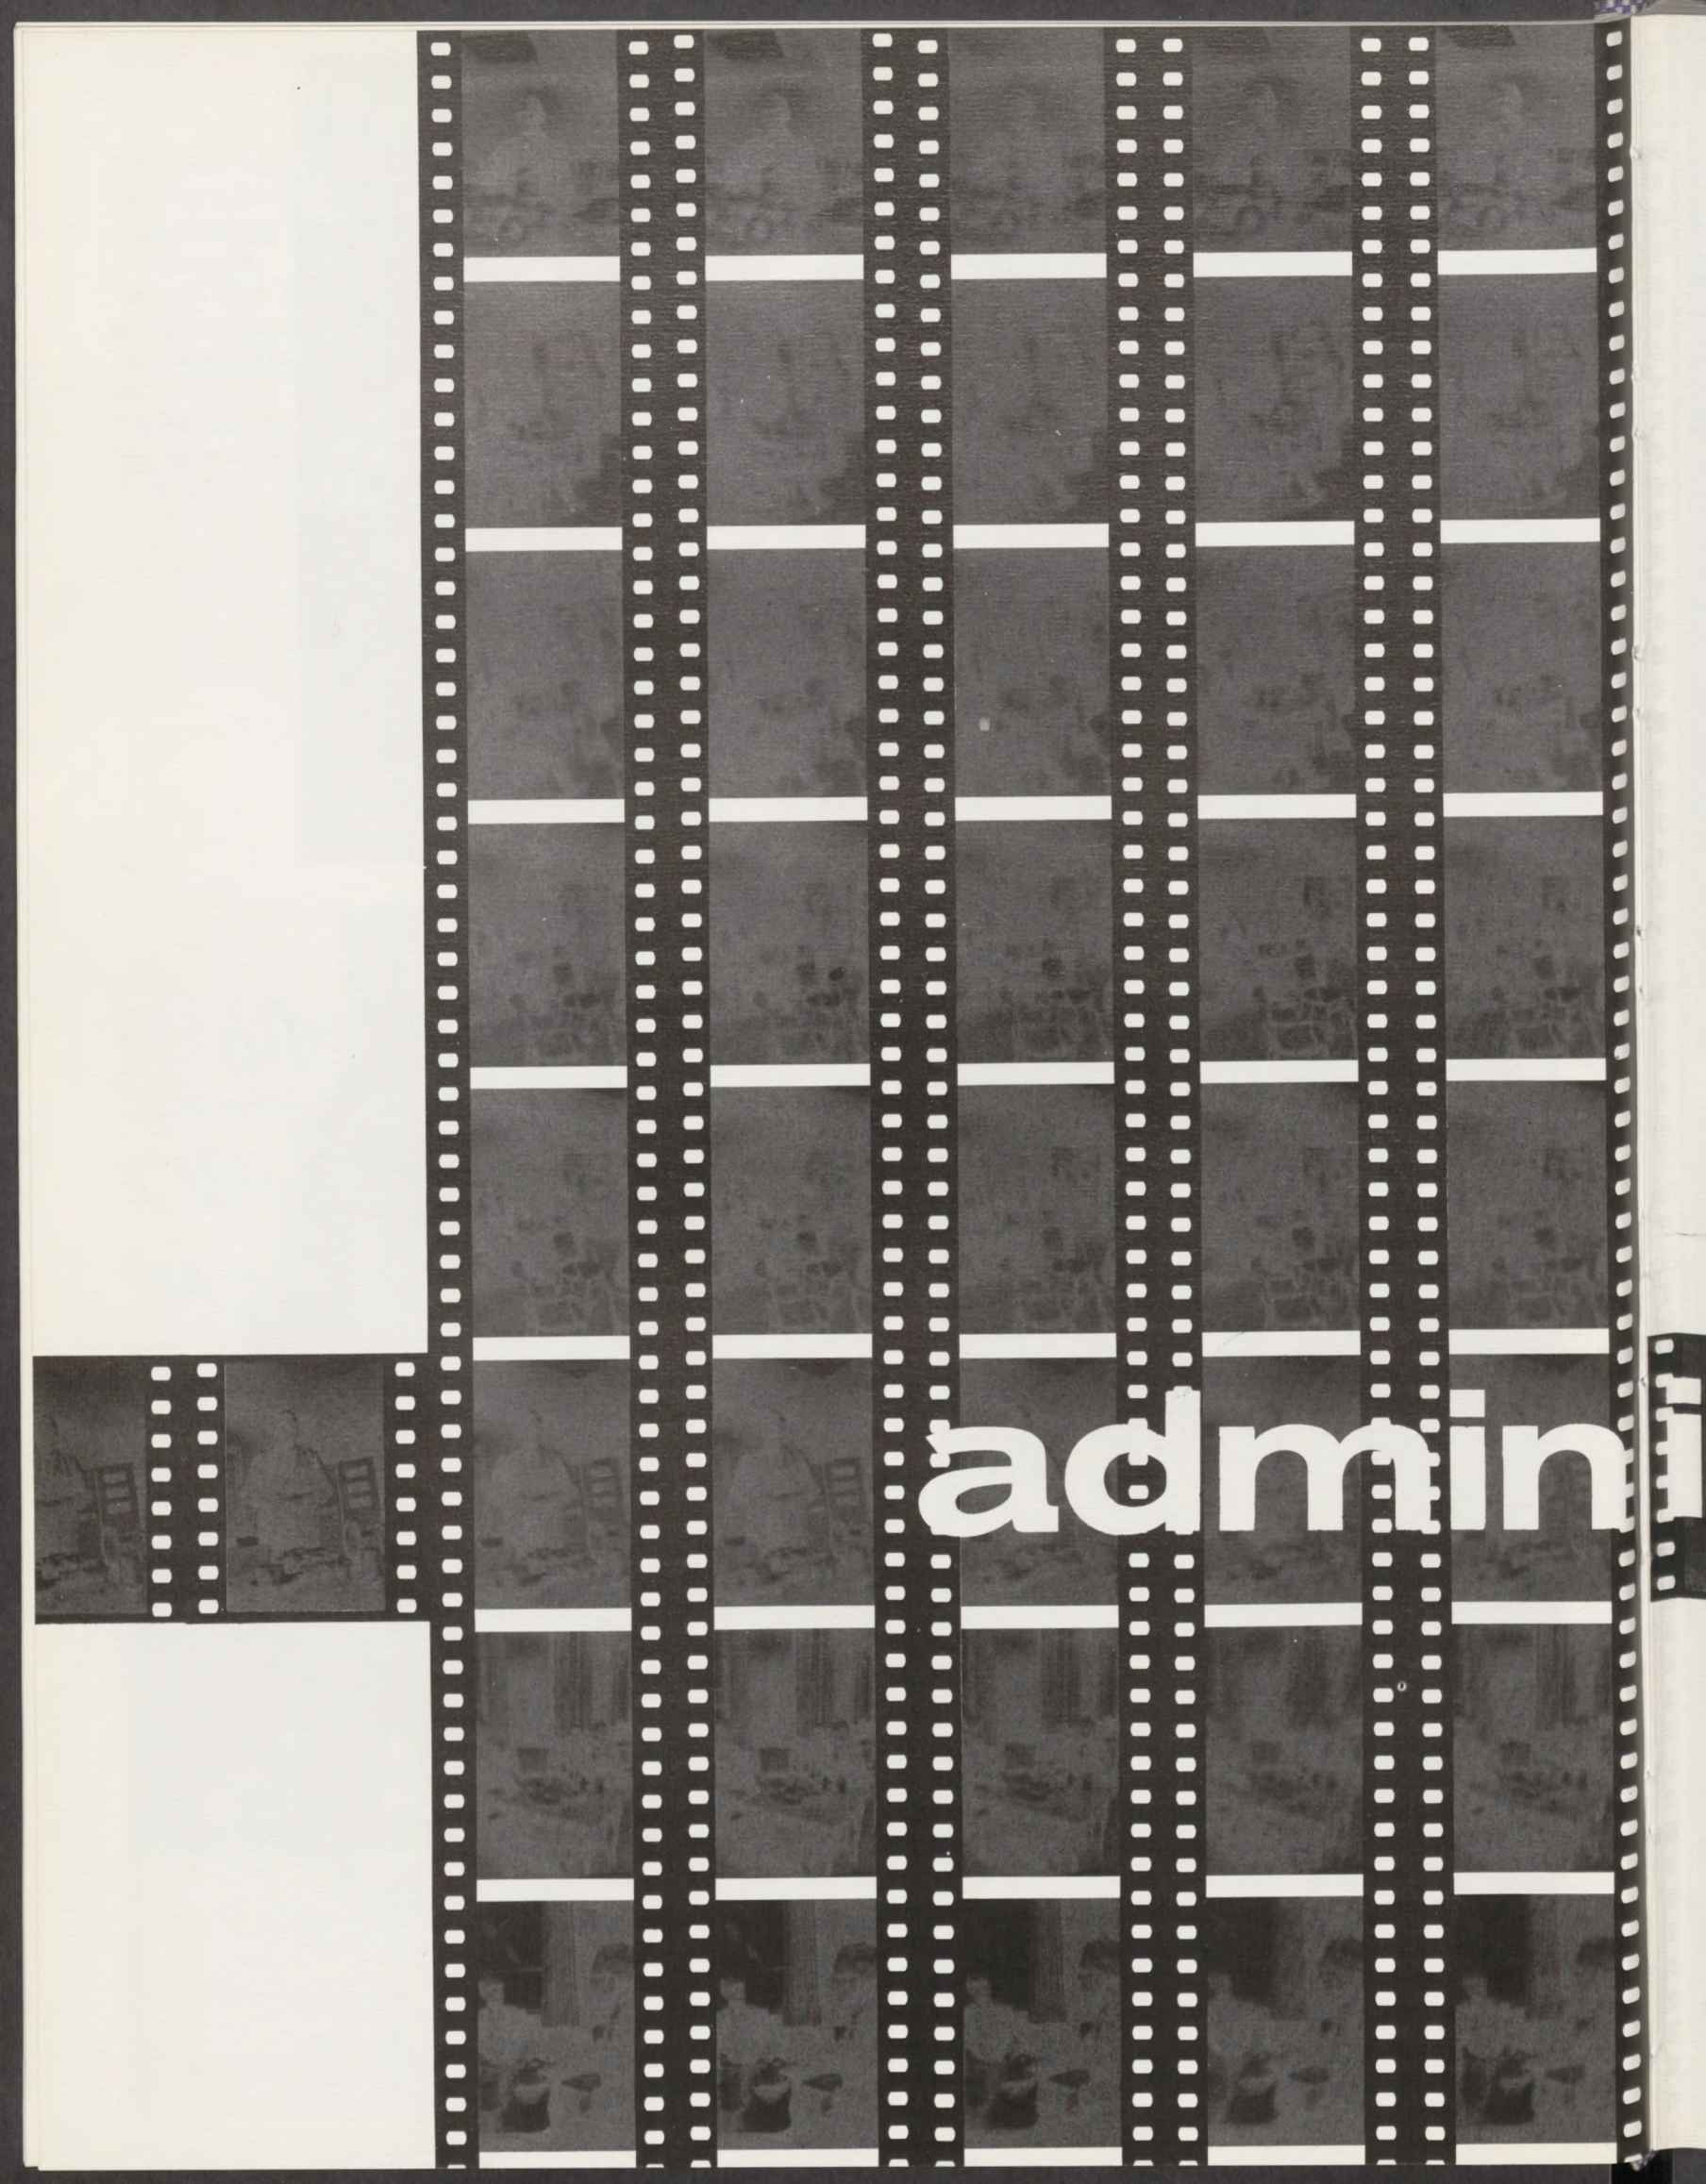

It is not too much to ask, or to strive for.

## PRESIDENT

Dr. Louis Nobles

Extended growth and development has characterized the past year at Mississippi College under the leadership of its president, Dr. Lewis Nobles. Improvement of the campus has been seen in the beautification of grounds, renovation of facilities, and plans for additional expansion. The ability of Dr. Nobles to provide effective cooperation among the administration, faculty, and students has increased educational achievement.

All associates of Mississippi College recognize Dr. Lewis Nobles not only as a wise leader but also as a most humble and dedicated Christian president.

## SWANNANOA

With high ideals of serving others  
In Christian love, We pledge anew:  
Our lives shall be devoted wholly  
To Swannanoa's golden creed.

Purity of heart and body always;  
Our growing lives will prove our love  
As we serve our Lord by serving others  
Our Swannanoa's golden creed.

Miss Beth Farmer

The student body has selected Beth Farmer to reign as both Homecoming Queen and Miss MC. She has served as WAB chairman, President of Laguna, a Sophomore and Junior class officer, and on the Judicial Council. Other honors she has earned include Sophomore and Junior class favorite and membership in Cap and Gown and Alpha Chi.

Mr. Cleve Morton

Cleve has shown his leadership ability by holding offices in various campus organizations. He has been treasurer of Civitan, president of the Vesper Choir, and Vice President of ODK and Sigma Pi Sigma, the honorary physics fraternity. He has also served on various student-faculty committees and on the BSU Executive Council.

## HALL OF FAME - 1972

Mr. Jimmy Lewis

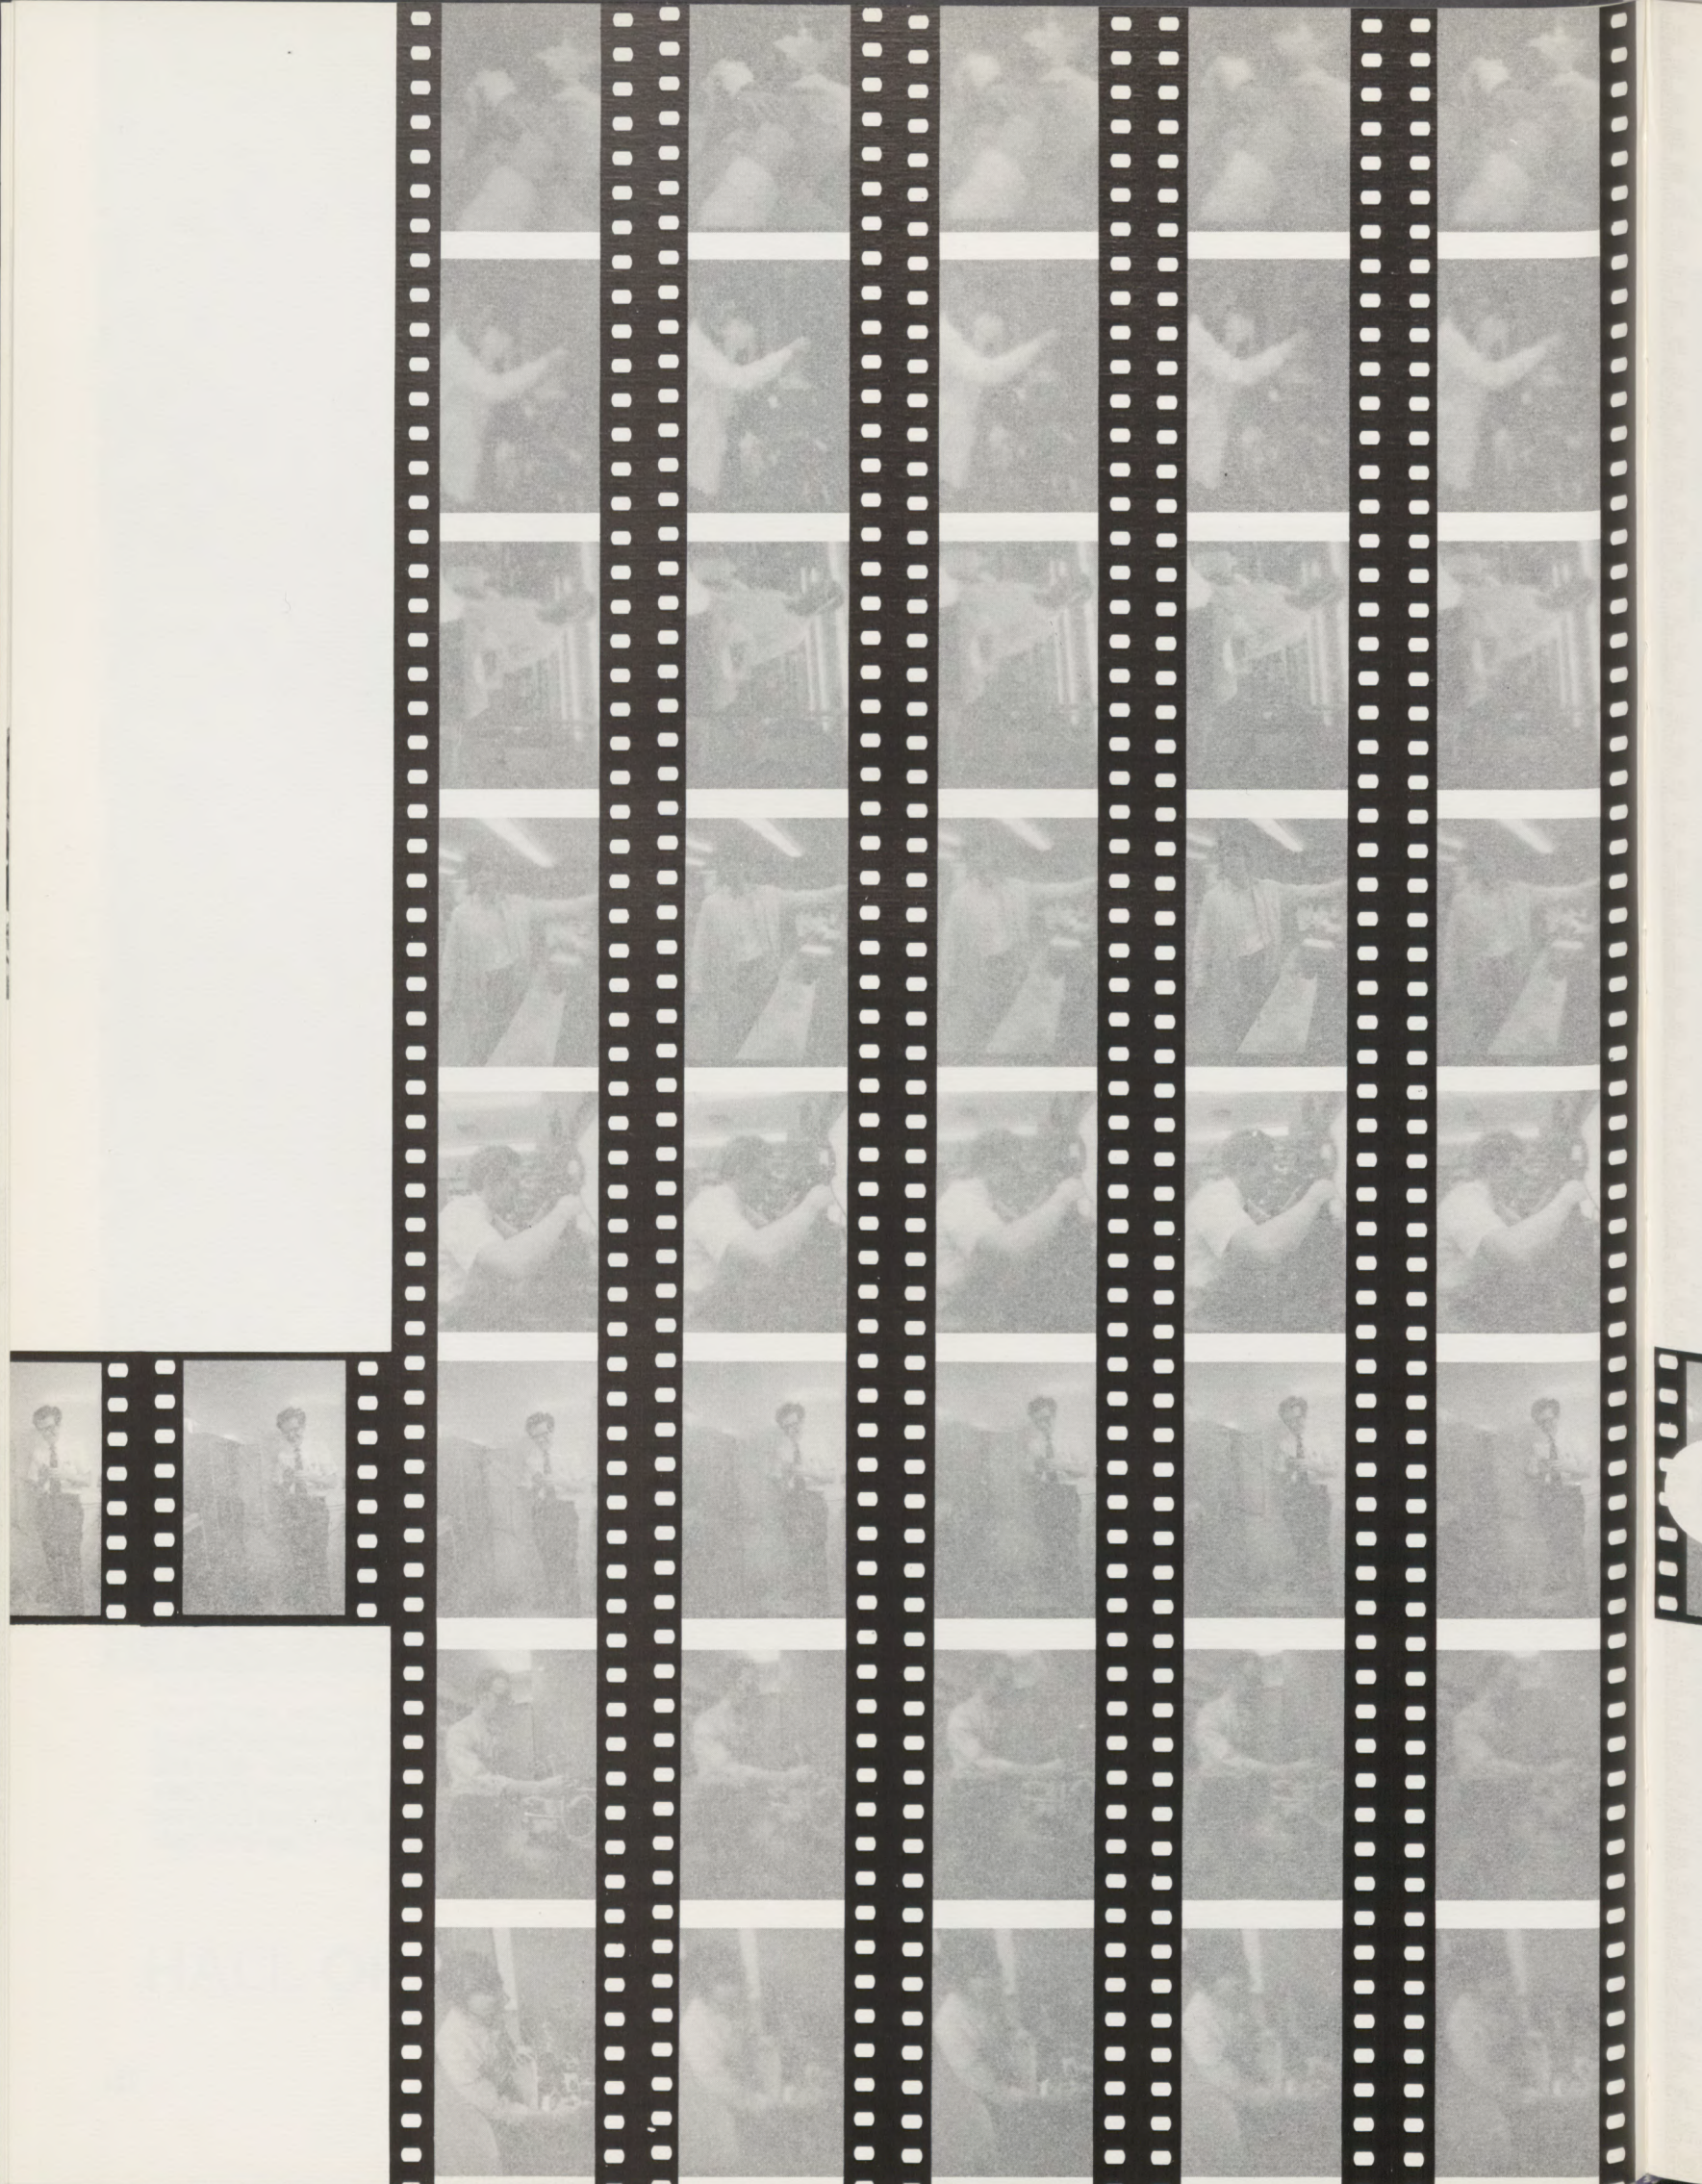

Jimmy is best known for his junior year as editor of the COLLEGIAN when under his guidance the paper won an All American rating by the Associated Collegiate Press. He holds membership in Alpha Chi, ODK, Sigma Pi Sigma, and Phi Mu Alpha Sinfonia and is president of the American Chemical Society Student Affiliate. His freshman year Jimmy won the Freshman Writing Award.

Miss Gayle Long

Much of Gayle's time has been spent in campus politics. She was a class officer her sophomore and junior years and was also active in the senate. She is now serving as SBA president. Gayle has also represented MC in Youth Congress and on the debate team. She is a member of Cap and Gown and Alpha Chi.

## THE 1971 FOOTBALL SEASON

Although the season ended with a 2-8 record, the Choctaws had some individual feats that were outstanding. Early in the season Rick Herzog set a pass reception record by hauling in his 63rd pass. For the remainder of the season he continued his fine performance and stretched his reception record. A 42 yard field goal by Roger Pierce broke a school record set in 1969 by Frank Dyer with his 38 yard kick. Rick Blocker's kickoff return of 97 yards wiped out the previous record of 95 yards. Bo Chism was named "Mississippi College's Most Outstanding Football Player of 1971" by the Jackson Touchdown Club. Mike Kappelman and Charlie Hayden should be mentioned for their consistently good blocking as of-

fensive linemen.

After 13 years with the Mississippi College football team Coach Hartwell McPhail resigned as head football coach halfway through the season. He led the Chocs to an impressive 59-50-5 record and 8 winning seasons out of 12 while serving as head coach. In his place came acting Head Coach Bernard Blackwell, an outstanding line coach that had worked with McPhail for 15 years. At the close of the season Blackwell was named "Mississippi's Outstanding Sportsman for 1971". With a good group of returning lettermen, new Head Coach John Williams and the M.C. students are looking forward to a better season in 1972.

Coaches: Lloyd Seymour, Ed Nixon, Bernard Blackwell, Joel Hudson.

## Favorable Stats Not Enough

Although the game statistics favored M.C., the Choctaws opened the season by dropping a game 24-6 to Henderson State in Arkadelphia, Arkansas. The Reddies were able to score twice before M.C. broke through to the board. The Chocs moved the ball well mostly by a passing attack including the 40 yard scoring strike from Buskirk to Foshee.

## Tough Luck Causes Loss

Two bad breaks turned a 17-6 advantage into a 19-17 deficit for M.C. against Southern State. M.C. opened the game scoring with a 42 yard field goal by Roger Pierce and 22 yard aerial connecting Wilson and Chatagnier. The Muleriders managed to score once before Rick Blocker returned a kick-off for a TD. Pierce's two PAT's in the game closed the M.C. scoring. A fumble and a short punt set up the Mulerider's late scores that pushed them ahead at the close of the game.

Benny Doster receives instructions from Coach Blackwell.

Coach Nixon talks over strategy with the defensive backfield.

## Break Losing Streak

Following defeats at the hands of Ouachita Baptist (28-0), Harding (20-14), and Western Carolina (37-0), the Chocs broke into the win column with a 15-6 victory over Nichols State. A pass from John Buskirk to Rick Blocker opened the scoring for M.C. Before the end of the first half the Colonels tied the score 6-6. A Colonel fumble picked up by Gary Nowell led to another M.C. score. Ray Wright made the final score 15-6 by kicking a 33 yard field goal. After winning this game the Choctaws traveled to the University of Arkansas only to be beaten 30-14.

## Offensive Errors Costly

Five interceptions and two fumbles accounted for the bitter 41-0 loss of the Choctaws homecoming contest to the Samford Bulldogs. Samford controlled the ball almost the entire game as M.C. offered few scoring threats. Following this defeat M.C. fought a tough Livingston University, but was again set back 20-3. The Chocs played a great defensive game but the third ranked small college in the U.S. overpowered them. M.C.'s score came on a 27 yard field goal by Roger Pierce.

## Chocs Finish With Win

Mississippi College closed the season with a 29-9 victory over Northwood Institute of Cedar Hills, Texas. Steve Sparks scored twice on short runs and Pierce added the extra points. A interception return by Johnny Mills, a Steve Thompson touchdown, and another Pierce field goal rounded out the Choc scoring. The victory closed the season with a disappointing 2-8 record.

Delynn Dawes.

The 1971-72 Choctaws basketball team was once again characterized by high-scoring exciting games. In the first part of the season, spirit really reigned high on the Mississippi College campus as the Chocs racked up a 98-93 victory over Millsaps and edged out Belhaven 79-74 in two very tense games. Transfers Bill Good at 6' 9" and John Schlitchman at 6' 8" and freshman John Skinner also at 6' 8" gave the team more height than usual.

Giving the team stability were returning lettermen Eddie Arender, Steve Rives, Ronnie Sumrall, Marc Dukes, Harold Jefcoat, and David Hollingsworth. With the help of these factors the squad improved on the 6-19 outcome of the previous year. In Coach Allen's 19th year with the Chocs, the offensive attack was exceptionally balanced having both an inside and outside scoring threat. The 1972-73 team should be more experienced and should furnish M.C. with an even more productive season.

## 1971 BASEBALL

The '71 baseball Choctaws, coached by James Coleman, managed to finish the season with a 10-11 record. Because of the consistent hitting of Ronnie Grantham, Slick Henry, Tom Payne, and Bob Disney, the Chocs were only shut out once. High scores were prevalent, as in the 32-3 victory over Belhaven and a 15-11 loss to the same school. One of the most exciting games was the 6-5 victory over highly regarded USM. Despite a mediocre season, a growing amount of interest was shown in the Mississippi College baseball team.

# TRACK AND CROSS COUNTRY

Under the direction of Coach Joe Walker, the track and cross country teams were at their peak in the 1971-72 season. Undeclared in dual meets the cross country runners were victorious in the Capital City Run. The M. C. distance men brought cross country into the spotlight by capturing the state co-championship, sharing the title with Mississippi State. Individual efforts by upperclassmen Doug Blackwell and Lamar Strong broke records and brought honors to M. C. Such powerful freshmen runners as Lee Dukes and Jack Wood give us a reason to look forward to assured success in the 1972-73 season.

## WOMEN'S EXTRA-MURALS

The women's sports of Mississippi College added to the excitement of 1971. In all three sports the girls performed brilliantly and posted winning seasons. The volleyball team defeated Northwestern Junior College, Hinds County Junior College, Perkinston Junior College, and won their division in the University of Southern Mississippi Tournament. The volleyballers had opportunities to play some out-of-state opponents such as Memphis State, Jackson (Tenn.) State, Southwestern at Memphis, and University of Tennessee at Martin. The basketball team did very well also but was set back by the '71 national championship team of MSCW in the M.C. Invitational tourney. Following an exceptionally successful season in '71 the tennis team is looking forward to the competition in '72.

## AFTER THOUGHTS

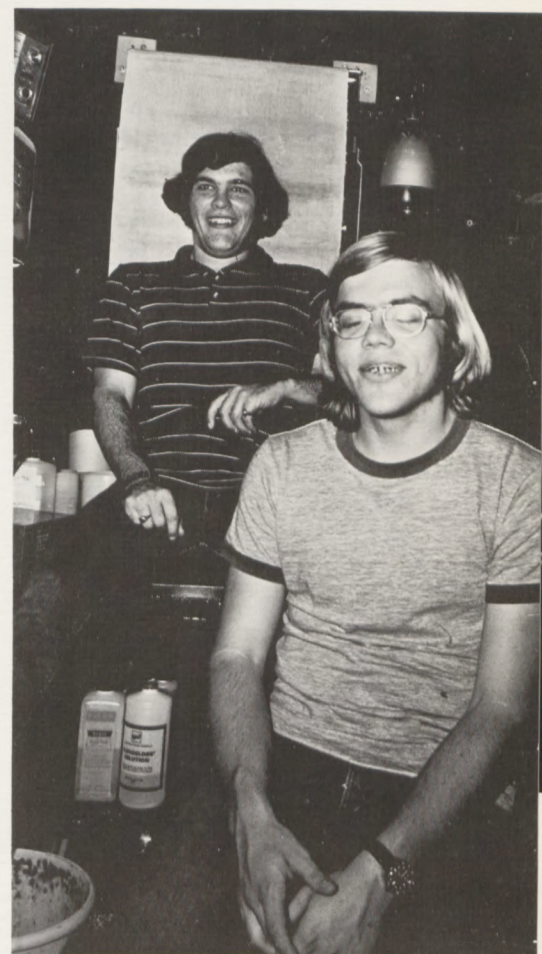

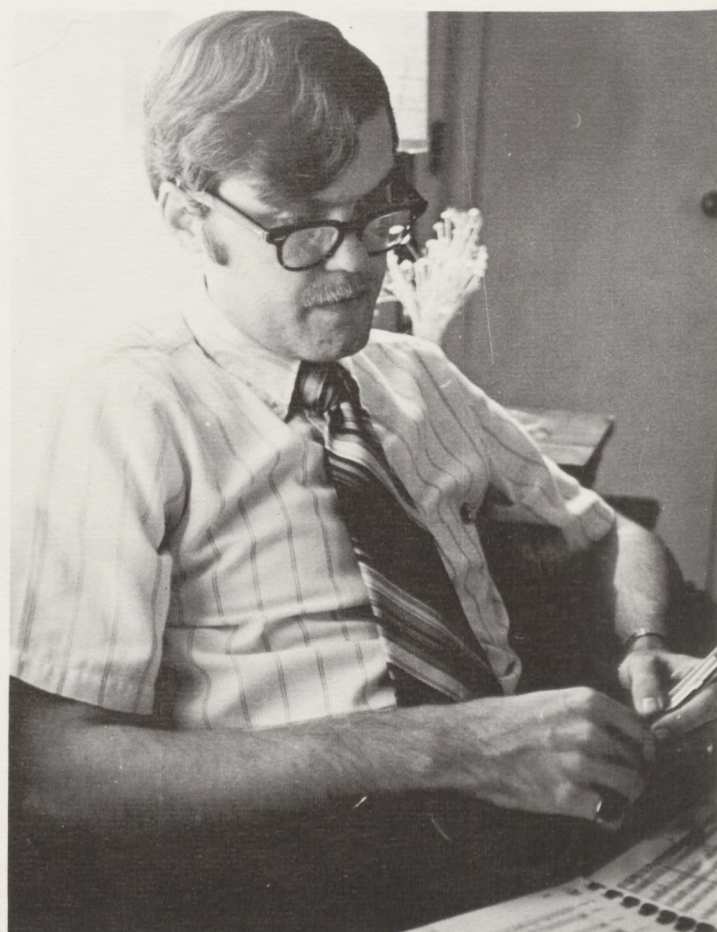

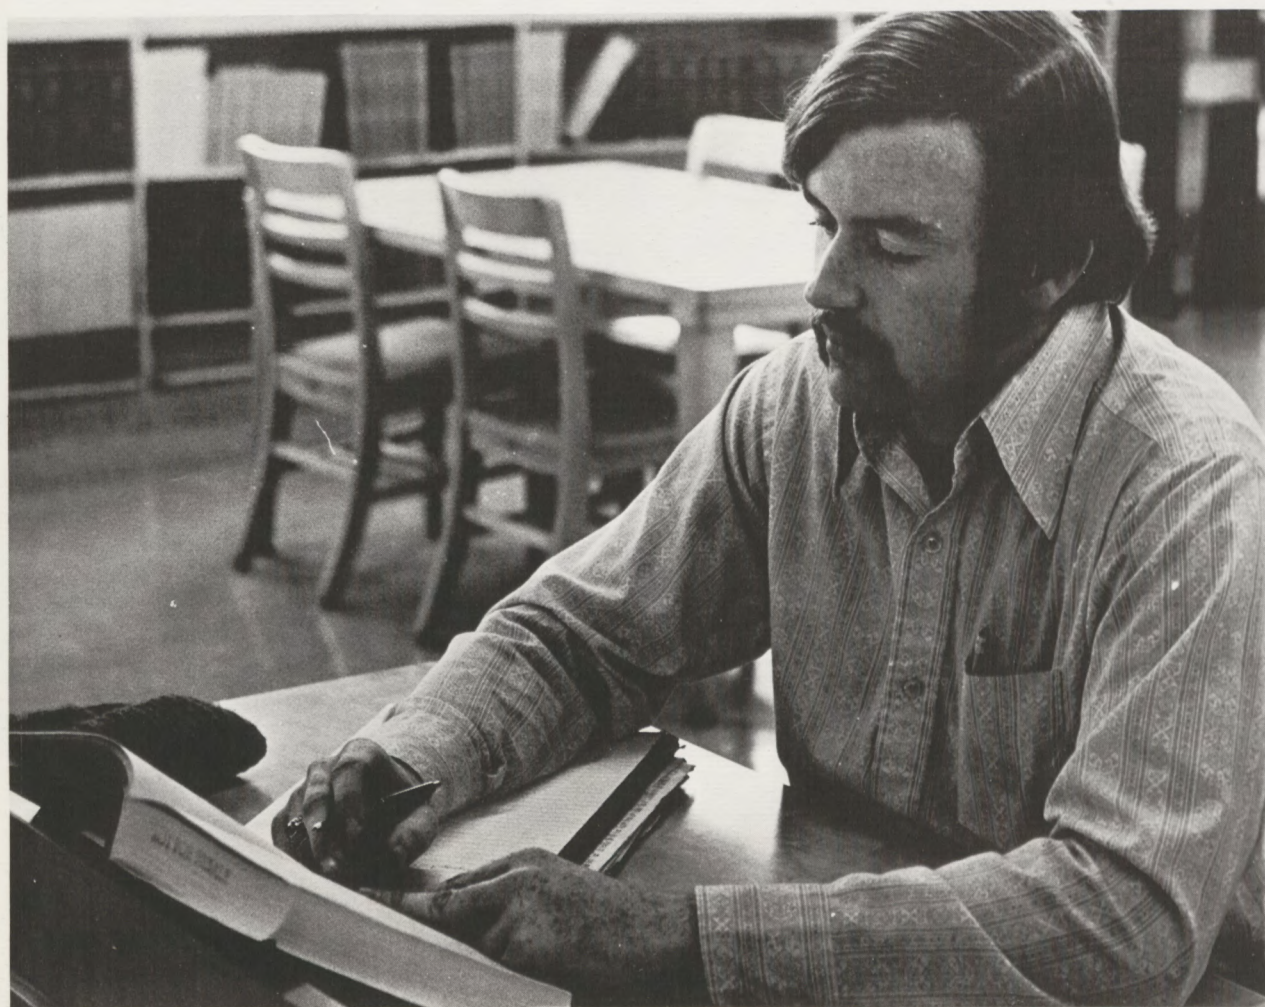

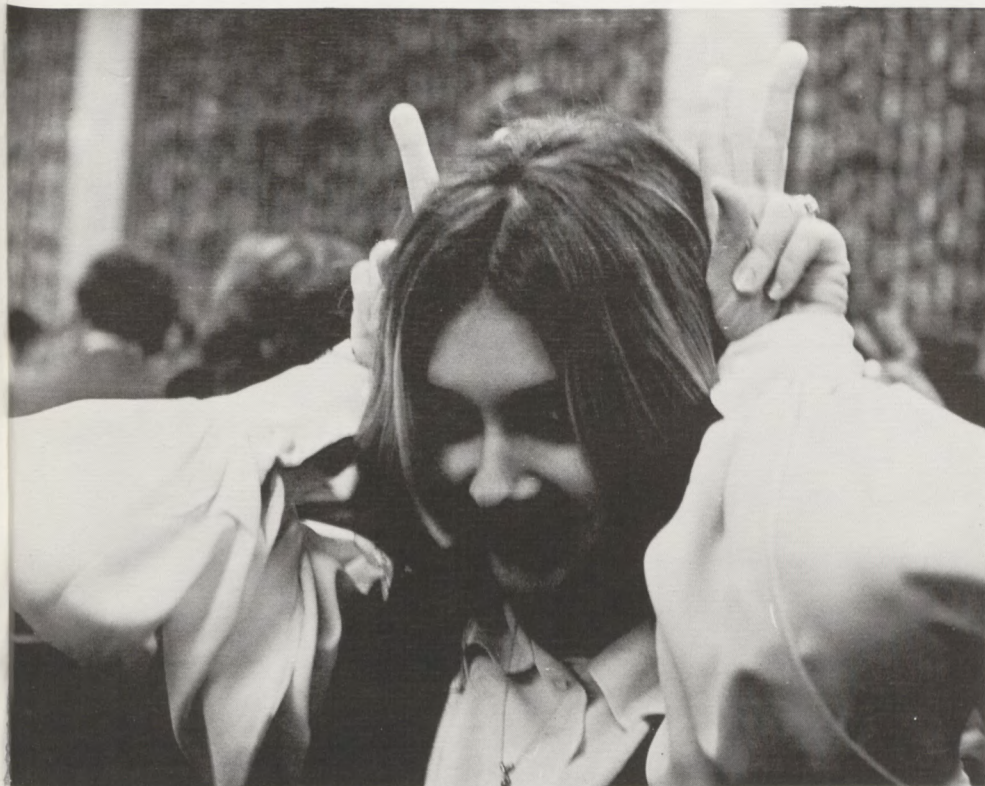

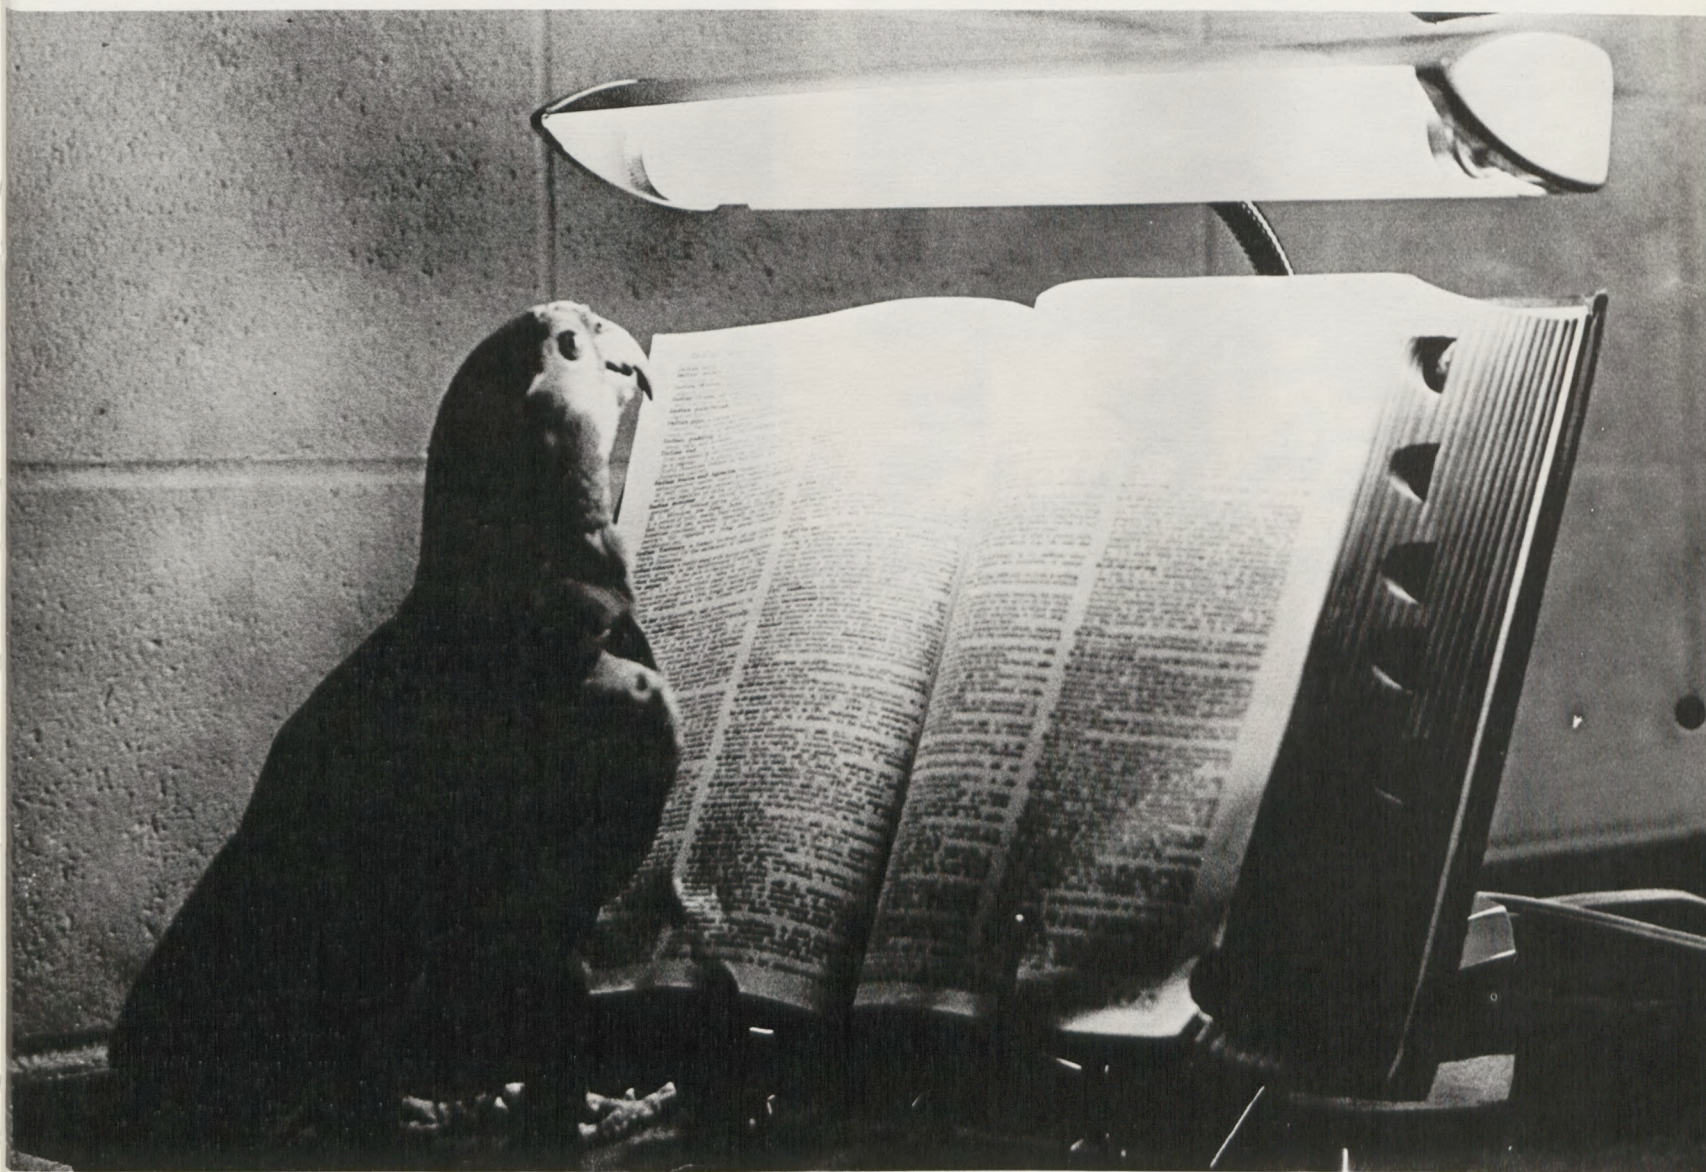

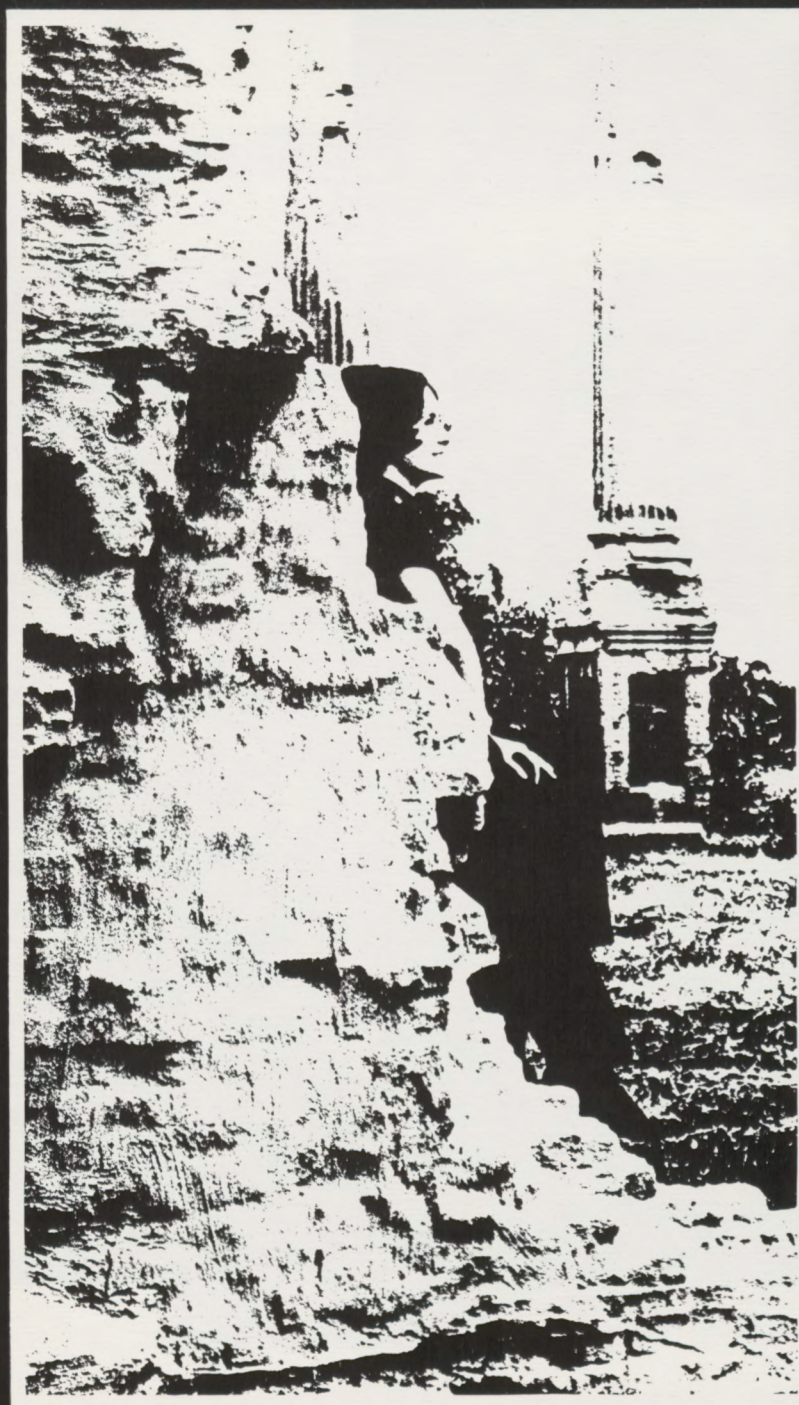

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story . . . Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden

misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

—from *DESIDERATA*, in old Saint Paul's Church, Baltimore, 1692

## EDITORS NOTE

An annual is a year's representation of life on a campus. In the past few years annual editors all over the country have tried to make annuals a medium for change. In the 1972 TRIBESMAN we have attempted to recreate the change that has occurred on campus this year.

The year started off with women's liberation: jeans permission on campus and the first woman SBA president. A dim spot in the otherwise successful new student administration was the cut-back in freshman orientation.

Off campus events also affected the lives of students as the eighteen-year-old gained the vote and the Waller administration put a new emphasis on youth. We have fought and gained the right to be involved. With involvement comes responsibilities which we must accept and fulfill to the best of our abilities.

To take on the responsibility of being an editor, a person must be a little crazy and have a lot of faith in a competent staff. I can't express my appreciation to those staff members who worked the week before the final deadline and made it possible for us to finish on time. Ney Gore, Larry Simmons, Stokes Neal, Charlie Ray, Richard Ritchie, and Bill Strange were invaluable in their help when we needed pictures at the last minute. Jane Dunn has been the best I could ask for in a business manager.

The 1972 TRIBESMAN is different because it reflects the personalities of those people that worked on it. Our memories of it will range from the day I stood bawling into a borrowed handkerchief to when we joyously sent that last package on its way to Nashville. Our desire is that this book will not only bring back memories to you but that it will also remind you in later years of the ideals you believed in and the goals you strove for as a college student.

# From MP&L, you get more than electricity

Mississippi Power & Light Company encourages groups of Boy Scouts and Cub Scouts to participate in community improvement projects. The four programs include Community Beautification, Safety Practices, Conservation, and Good Samaritan projects. Upon completion of a project, MP&L presents a certificate of achievement to the troop, and each member is awarded a badge, or "patch".

At MP&L "Helping Build Mississippi" is a living reality, because from MP&L you get more than electricity.
